

Packing For Camp

We highly recommend that you follow the packing list closely as you prepare your child for camp. While some items are not essential, they will help your child be more comfortable and prepares for any weather we might experience at camp.

Remember that your camper will be spending most of the day outdoors and they will get dirty. Please send old clothes, towels, and shoes. Label all clothing and equipment.

Average daytime highs are 75 - 85 degrees and evening lows can be as low as 35 degrees. Please be certain your camper has warm clothing.

If you are uncertain about any items on the packing list, please contact us. Items other than "optional items" are key to your camper's positive experience.

Bring it but don't pack it!

Sack lunch and water bottle or drink for check-in day. Dinner is the first meal served on Monday at camp.

All medications, prescription or otherwise must be in their original container and kept separate from your campers luggage. These must be turned in to the medical staff along with a Medication Authorization form listing each medication and administration instructions.

Camp Store money (cash or checks only) must be deposited to your camper's "account" during check-in. Campers can purchase daily using their account, but no cash will be accepted at camp.

Required Forms, your camper's health form, medication authorization (if sending medications), and check-out authorization form should all be completed and available to be turned in at the check-in table.

Resident Camps Packing List

Youth, Aspiring Leaders, LIT, CIT and Teen \$ Ranger campers should use this list. Adventure and Trip Campers see page 12.
