- ▲ Water Station**

Finish Detail

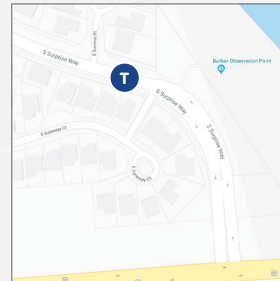

E. Parkcenter Junction

3-Way Junction

Turn Around Detail

Start Detail

Notes:

The course is entirely on asphalt or concrete surfaces.

On all curved sections and corners, the shortest, most direct route was measured.

All parts of the course not marked as public roadways are greenbelt-style paths or sidewalks.

The only road sections not fully available to the runners are E. Parkcenter Blvd and the big curve on S. River Run Dr., they will be coned.
