Bullying Policy

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt another. Bullying happens when a person or group of people want to have power over another and use their power to get their way, at the expense of someone else.

Additionally, bullying can also happen through cyberspace, through the use of emails, text messaging, instant messaging, and other less direct methods. This type of bullying can also lead to persons being hurt in or out of programs and camps and can be especially hurtful when persons are targeted with meanness and exclusion.

The YMCA has a zero-tolerance policy for bullying and will take immediate action if there is a reason to believe bullying is taking place.
