## SIGN UP PROCEDURES FOR ALL COMERS' MEETS

- 1) All Registrations for the meets will be done on [Atheltic.net](http://Atheltic.net). We will be electronically timing our events this year to help the meets run smoother. Remember ages 12 and under can do 3 events and ages 13 and up can do 4 events. Teams and individuals are welcome to sign up on athletic.net. Athletic.net has a great tutorial. If you are an individual you need to create an account and then add our all-comers meet onto your schedule. If you are a family you can add several kids to your account. You will be a family team. Watch for more information to come.
- 2) Heat Sheets - Your name will be on the heat sheets. We will have heat sheets and event sheets at the start line or field event location for check in. If you are competing in a field event, go to that event and check in. If you are running in a race, go to the starting area when the race is announced.
- 3) All athletes receive ribbons if they complete an event. Ribbons will be available at the Box Car 30 minutes after events are final.
- 4) After each event, results will be handed in at the boxcar and places will be tabulated.
- 5) In running events, there may be many heats of a single age group or heats with multiple age groups. For these reasons, placement will not be determined until after all heats (all age groups) are completed. **THEREFORE, WINNING YOUR HEAT DOES NOT MEAN THAT YOU WILL FINISH FIRST IN YOUR AGE GROUP.** After the last heat, it will take approx. 10 minutes to determine placement and start handing out ribbons.
- 6) Have Fun!
