Treasure Valley Family YMCA Sustainability and Annual Fundraising Campaign

With forced facility closures, program suspensions and consequent fee reductions, the Y's ability to provide crucial social services for the most vulnerable members of our community is at risk now and in the future.

WE NEED YOUR SUPPORT NOW MORE THAN EVER.

We have launched the COVID-19 Sustainability Fund to raise \$1.265 Million in the next 3 months to address our immediate crisis. This amount will allow us to reopen with staff and programs to meet what will undoubtedly be an even larger need as children and families recover from this major disruption in their lives.

The newly expanded Annual Campaign and Sustainability Fund supports our Y staff as they work to protect the thousands of children, seniors and families who rely on us to serve their critical needs. We have been forced to make some very hard decisions regarding staffing and other expenses, and are doing everything in our power to be in a position to be here for you in the future. There is only so much we can do – we need your help!
