Team Idaho Uniform Agreement:

Congratulations, you have just checked-out a YMCA Team Idaho uniform for the purpose of competing in a YMCA Team Idaho supported event.

Now that you have the uniform, here are some important things that you should know:

When you have finished competing, you will need to return the uniform. You can do this by giving it directly to Jack Ward, the Team Idaho Coordinator (always make sure that you watch Jack remove your name from the uniform list before you walk away), or by putting it into a bag and placing your name on it, and ATTN: Jack Ward, clearly written on the bag. **Anyone not returning a uniform within a week of the last Team Idaho event, will be called. Anyone not returning a uniform within two weeks, will be sent a bill, which can run from \$68 to as much as \$148.**

You are responsible for cleaning the uniform and keeping it in the same condition as it was when you checked it out.

Please remember that while you are wearing the uniform you are representing Team Idaho and the YMCA; therefore, you should behave accordingly.

Any questions or concerns can be directed to Jack Ward at 344-5502 x270

or via e-mail at jack.ward@ymcatvidaho.org
