

# TREASURE VALLEY FAMILY YMCA GROUP EXERCISE & LAP POOL RESERVATIONS

We are so excited to reopen our group exercise classes and lap swimming on June 8. In order to maintain capacity and physical distancing guidelines, the Treasure Valley Family YMCA is implementing a reservation system.

## OPTION 1: Reserve via Web Portal

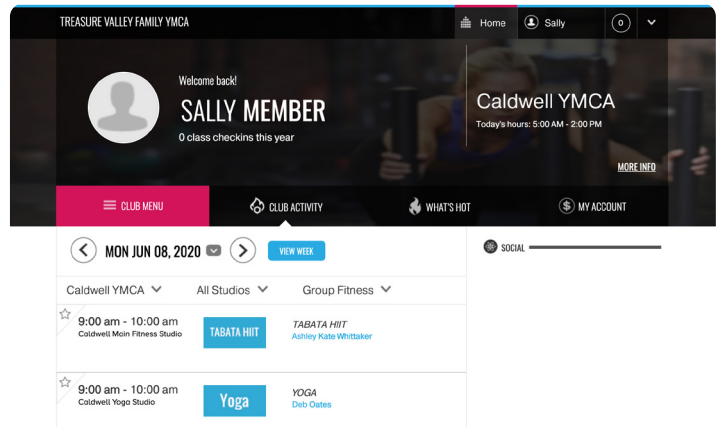

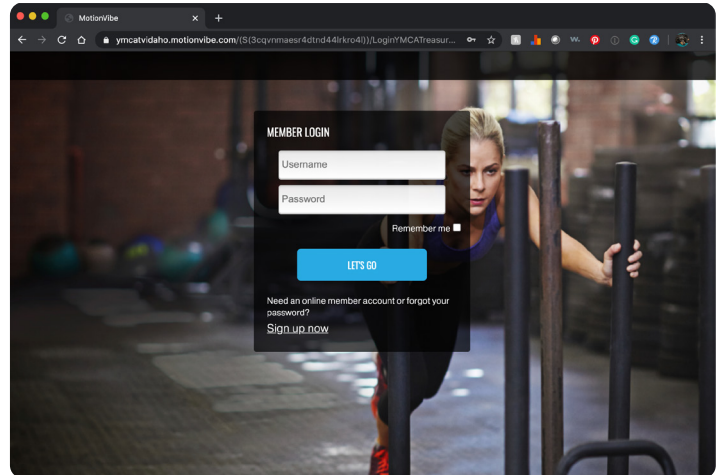

**1** Visit our web portal: [ymcatvidaho.motionvibe.com](http://ymcatvidaho.motionvibe.com) and create your account by clicking Sign Up Now. Please use the same email and member number that are on your membership account. You can use your computer or your mobile device. (Your member number is the code you used to use at the front desk or the number on your key card.)

**2** Once you have logged in, take a look around. You can view the class schedule by clicking on Club Activity. Choose a day of the week to see available classes, or click the blue View Week button to see the whole week at a glance. In the week view, you can also view the schedules for all of our TVFYMCA locations.

**3** Reservations open 24 hours before class or a lap lane time slot begins. When available, there will be a green register button. Click to reserve your spot!

Reserved a spot but your plans changed? You can go back and unregister just as easily! Unregistering if you can't come to class allows a another Y member to join the class when registration is full.

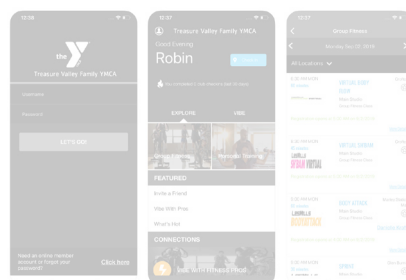

**4** When you get to the Y: Group exercise participants please check in with your instructor. Swimmers please see the lifeguard desk to check in and receive your lane assignment.

Reservations for classes and swim lanes open 24 before the start time. Please visit our website for more information. [ymcatvidaho.org](http://ymcatvidaho.org)
